Clester's Auto Rubber Seals is a manufacturer of quality reproduction parts for classic automobiles. We make our parts to original specification and not generic. All our parts are manufactured in the USA in our 24,000 square foot facility located in Salisbury, NC. We excel in die cutting, rubber extrusion, splicing, and product development. We have upgraded and expanded our tooling department to insure we will be able to introduce new parts regularly to our already diverse selection.

All our raw materials are produced in the United States and are made from the finest rubber polymers that offer top of the line UV protection, and our sponge parts are made to be soft, yet tough and durable. These are the finest quality parts available on the market today.

We have thirty years of business experience helping us bring excellent quality and service to our customers. If you are interested in being a part of our Wholesale Dealers Program please give us a call toll-free at 1-800-457-8223 Monday - Friday 8:30am - 5:00pm EST.
